Karen: How was your day at the office?
me: pretty nifty
Karen: Good! The bully wasn't there?
me: nope
Karen: Did you see on D Frontburner today about Mark Davis? He apparently has bigger issues to deal with than your piece -- he endorsed a Republican candidate who supports anarchy or something.
me: I'll look, that's odd
Karen: Yeah, it's the republican candidate running against Eddie Bernice Johnson, the longtime congresswoman who just got caught in the scholarship scandal, giving cash to her grandchildren, etc.
